## Reunion Set For Campers

A campfire reunion for all old and new Camp Clatwa campers, in a program sponsored by the Torrance Recreation Department, will be held next Wednesday at El Retiro Park, Torrance.

All youngsters interested in the Camp Clatwa program are welcome, as are their parents and friends. Information about Camp Clatwa, the Recreation Department's mountain camp at Big Bear Lake,

will be given, with a sneak preview of events planned. From Aug. 19 to 26, boys and girls between 9 and 14 will go to the camp at Bellows Lodge. The camp costs \$30, including board, room, ov. nights, fire-making techniques, swimming, crafts and other activities.

At the reunion, the camping staff — Don Ahern, Anne Giannunzio, Linda Gamble, and Lee Tussing — will be present.

Injury Accidents	243

Non-Injury Accidents	319

\*Box score of all accidents investigated by Torrance Police Department since Jan. 1, 1961

As a driver it is your responsibility to keep your vehicle in good working condition at all times and to be familiar with what equipment is required by the law, points out Lt. Don Nash, Torrance Traffic Head.

So that you may better acquaint yourself with these laws the Torrance Traffic Division lists some of the things to check for on your own vehicle:

## 1. License plates display:

When two license plates are issued for a vehicle they shall be attached to the vehicle for which they were issued, one in front and the other in the rear. (When only one license plate is issued for a vehicle it shall be applied to the rear.) 5200 CVC.

## 2. Position of plates:

License plates shall at all times be securely fastened to the vehicle for which they are issued so as to prevent the plates from swinging and shall be mounted not less than 12 inches nor more than 60 inches from the ground in a position to be clearly visible, and no covering shall be used on license plates which is not of a type approved by the California Highway Patrol. 5201 CVC.

## 3. Tabs:

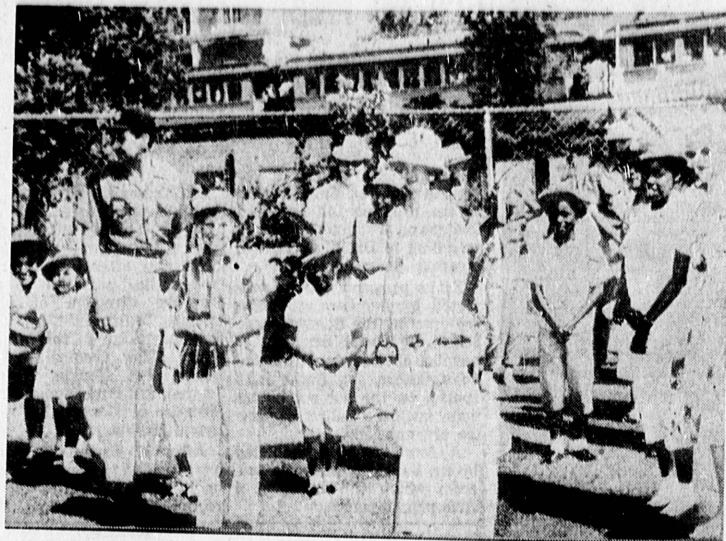

Tab shall indicate the year

number for which issued, which tab, sticker, or other suitable device shall be attached to the rear license plate issued for the vehicle for the last preceding calendar year in which license plate was issued, and when so attached, the license plates with such tab shall be deemed to be the license plates for the ensuing registration year. 5204 CVC.

4. Modification of Vehicles: It is unlawful to operate any passenger motor vehicle which has been modified from the original design so that any portion of such vehicle other than the wheels has less clearance from the surface of a level roadway than the clearance between the roadway and the lowermost portion of any rim of any wheel in contact with such roadway. 24008 CVC.
